UNIT MAILING LIST

In the months and years ahead, a number of the units on our appropriated fund (free distribution) mailing list will be either deactivated or redesignated as other than Infantry units. This will be true in both the Active Army and the Reserve Components.

Therefore, if your unit is scheduled for deactivation, reorganization, or rebranching in the near future, or will move to another installation or armory, please let us know as soon as you can. In that way, we will not waste a lot of the Government's money in our attempts to find you.

PAID SUBSCRIPTIONS

We are still seriously concerned with the dwindling number of paid subscribers, so much so that we are considering doing away with our subscription service fund. During the past four years, for example, we have lost approximately 800 paid subscribers, and we really cannot offer a good reason to explain that huge loss.

We ask our INFANTRY readers to urge their associates to subscribe to their professional publication. We have many fine articles on hand, and know that each and every one will contain lessons of value to all professional Infantrymen.

Please give us your support. And don't forget that with the 1990 holiday season approaching, this is an ideal time to give a gift subscription to a friend or relative.

Our subscription rates and other information concerning subscriptions can be found on the inside back cover of each of our issues.

SUBSCRIPTION RATES

INFANTRY is available to subscribers at \$12.00 for one year and \$23.00 for two years. Foreign (non-APO) subscribers must add \$4.00 per subscription per year to cover mailing (surface mail) and handling charges. Foreign air mail rates will be furnished on request. Single copies are \$2.50 each if sent to a U.S. address.

Payment must be made in U.S. currency, by international money order, or by a check or draft drawn on a U.S. bank. For best service, payment should accompany each order, because we cannot start a subscription until we have received full payment for it. Checks, money orders, or drafts should be made payable to INFANTRY.

One-year subscriptions are not refundable. Two-year subscriptions are refundable, but service and handling charges will be deducted.
